C.S.H.A, TRAIL RIDERS AWARDS PROGRAM:

Trap welcome's boarder **Tammy B.** to the program. The Trail Riders Awards Program was established in 1988 to recognize and honor the trail rider who is the foundation of the California State Horsemen's Association (CSHA) and to encourage the use and maintenance of riding and hiking trails by the members of CSHA. Riders keep track of the number of HOURS they trail ride or work on trail maintenance or construction and send a copy of the log to the program chair. It's that simple! It does not matter how far or fast you go, just the number of hours you spend on the trail. Any time spent out on the trails, whether alone or in a group, counts toward awards. Also counted is any time spent on trail maintenance or construction. To learn more about TRAP go to cshatrap.org and CSHA go to californiastatehorseman.com

I have been a member of TRAP since 2007 and just logged 1,000 hours on trail this past month. Many of those hours come from riding the Santa Ana River trail. - Jayne
